KEVIN MILLER

The image shows four hand-drawn wireframe prototypes for a mobile application, arranged in a 2x2 grid.

- Top Left:** A rounded rectangle labeled "Haircut preview". Inside, there's a "Login" section with "Username:" and "Password:" fields, each with a horizontal line for input. Below the fields is a drawing of a striped barber pole.
- Top Right:** A rounded rectangle labeled "Kevin Miller" at the top. It contains a "Favorited" section for "Charles barbershop" with a 4-star rating (★★★★). Below it is a "Search for shop:" field with a horizontal line. Further down are sections for "Shops near you:" featuring "Gerald's cuts" (3 stars) and "Sam's fades" (3 stars).
- Bottom Left:** A rounded rectangle labeled "Charles barbershop" with a star icon. It has a "Select type of haircut:" section with five options: "fade", "trim", "buzz", "buzz+", and "Other", each in its own rectangular box.
- Bottom Right:** A rounded rectangle showing a small sketch of a person's face. Below the sketch, the text reads "you selected a trim!". At the bottom, it says "Schedule appointment time: 12:15, 1:00, 2:30, 3:45, 4:00."

4:00 pm is  
your appointment  
with Charles for  
a trim ✓

Haircut preview  
maps your way  
to the desired  
barber shop!

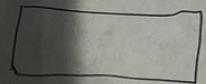

you get the  
haircut you  
desire.
